

## Australian Cosmetic Tattoo & Micro-blading College

### Why choose Australian Cosmetic Tattoo College?

- Longest serving most reputable cosmetic tattoo and microblading training college for over 30 years
- Proudly offering one on one training in most states across Australia.
- We will **only** train using a digital machine (no old-style rotary machines, google the difference between rotary and digital machines for cosmetic tattoo and you will understand why)
- Accredited Trainers in each state of Australia hold Certificate IV in Training & Assessment
- Flexible training days to suit you and the trainer
- Access to cosmetic tattoo supplies and digital machines
- Free ongoing mentoring including newsletters and Facebook Student Forum page.
- Annual seminars and learning conferences to develop and strengthen connections and further learning.

Payment plan options [http://www.australiancosmetictattoocollege.com.au/payment\\_plans.html](http://www.australiancosmetictattoocollege.com.au/payment_plans.html)

DIPLOMA OF COSMETIC TATTOO & MICRO-BLADING  
OR  
CERTIFICATE OF DESIGN AND PERFORM COSMETIC TATTOO  
FEE \$2,000**

RPL is the formal acknowledgment of skills and knowledge that you currently have. The application process requires you to provide evidence of, or demonstrate, your current ability to perform the requirements of each of the performance criteria of each of the performance criteria within the unit of competency of a qualification.

For the purpose of recognition of prior learning (RPL) the applicant must:

- Submit evidence of the skills and knowledge gained while on-the-job, or through life experience and which are relevant to this unit.
- Submit evidence of the skills and knowledge gained in other contexts and which are relevant to this unit
- Show how these skills and knowledge are relevant to the requirements for this unit in the qualification; and
- Record these skills and knowledge in an easily understood format which can be retained for future use.
- The RPL assessment may include workplace observation, interviews, professional conversations, work examples and documented evidence.
- If you can show (via this application form and/or interview) that you have the required skills and knowledge, then you will be granted an RPL for the units that you are able to provide sufficient evidence against.

**Course Structure:**

- Complete the theory exam via the e-learning portal
- Submit photographic and video evidence
- Submit supporting documentation
